MY WORK

TEACHING COMPUTER SKILLS TO UNDERRESOURCED STUDENTS

Teaching in a Maharashtra board School for 2 months through two NGOs.

2022 Summer & throughout 2023

- Taught students basic skills about computers through the NGO.
- Taught basics and intermediate level of Excel, Paint and word usage from scratch..
- Taught advanced maths to 8-10 year old students for over a year once per week.

AUDIT WHITE PAPER ON A START-UP WEBSITE

Ongoing feedback white paper on Perfectail website.

2023 - Ongoing

- Identify the key strengths and weaknesses of the startup website
- Provide constructive feedback on how the startup website can enhance its overall performance, suggesting specific improvements and actionable recommendations.

GRADE PAPER FOR MYP4 (9TH GRADE)
